REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Transport and Public Works regarding the status of the renovation works on various roads across the City, particularly service roads such as Kirichwa Lane in Adams Arcade, Mbaruk Road etc.

Hon. Speaker, the County recently embarked on major renovation works for roads across the City. While various projects have been executed, some areas of the City still have roads in need of major repair works. For instance, Kirichwa Lane in Adams Arcade and Mbaruk Road remain impassable, with deep potholes and pools of water.

These service roads, like many others across the City, serve residents of the various Estates and are therefore critical to mobility and economic life.

Hon. Speaker, in the statement the Chairperson should inquire into and report on:

1. When will repair works commence on pending service roads across the city such as Kirichwa Lane and Mbaruk Road; and
2. Status of the finances allocated for the repairs of these roads, if any, and plans to deploy the funds for the said renovation works; and
3. Measures put in place by the County to ensure all roads due for repairs are timely and duly repaired to ease the suffering of residents of Nairobi.

Hon. Mwangi Njihia, MCA
MEMBER FOR WOODLEY KENYATTA GOLF COURSE WARD
