

NAIROBI CITY COUNTY ASSEMBLY
SECOND ASSEMBLY - FIFGTH SESSION

REQUEST FOR STATEMENTS

Subject: disbursement of bursaries in the County

Hon. Speaker,

Pursuant to Standing Order 45(2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Children, Early Childhood Education and Vocational Training regarding usage of the bursary funds for the FY 2021/2022.

Hon. Speaker, Nairobi County bursary intervention is an important programme that has over the last few years assisted many less privileged pupils. This mechanism helps to ensure seamless academic progression of needy pupils and students in the County and mitigates against interruptions due to lack of funds for their fees. Over time, the County Assembly has been appropriating funds towards ensuring that this programme runs effectively and efficiently including the current FY 2021/2022.

However, there have been delays in disbursing the same given that schools have opened and many parents in the County are facing hard time to pay fees due to demanding academic calendar.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) Provide a status report on disbursement of the bursary for the financial year 2021/2022; and
- ii) Status of formulation of the amendments to the Nairobi City County Bursary and Scholarship Fund Regulations as one of the measures to achieve expedited and timely bursary disbursement going forward.
