NAIROBI CITY COUNTY ASSEMBLY
SECOND ASSEMBLY - FIFTH SESSION

REQUEST FOR STATEMENTS

Hon. Speaker, Pursuant to Standing Order 45 (2) (c), I wish to request a statement from the Chairperson of the Sectoral Committee on Planning and Housing regarding encroachment of roads in the County and particularly Muyuyu Street in Eastleigh Ward.

Hon. Speaker, urban street design is undertaken to take into account the most of the mobility needs including pedestrians, cyclists and motor vehicles. Nairobi City is currently experiencing congestion on most roads because of encroachment onto carriage ways and walk ways by traders. This is particularly rampant in the estates. The importance of roads to mobility of people, goods and services cannot be overemphasized especially because by design, roads provide provide a network along which goods and services move and provides access to estates for fire engines, in case fire outbreak, ambulance in emergency cases e.t.c..

Hon. Speaker, in the statement the Chairperson should inquire into and report on:

1. Whether the County Government and/or NMS have authorized the encroachment along the said street in Eastleigh; and if not,
2. Measures that Nairobi Metropolitan Service (NMS) has put in place to remove the encroachers from the street for smooth traffic flow; and
3. Steps that the NMS has taken to remove all encroachments onto public road reserves across the County.
