

Subject: Purchase of computers and printers in County Health Facilities

Hon. Speaker,

Pursuant to Standing Order 47(2) (c), I wish to request for a statement from the Chairperson of Sectoral Committee on Health Services regarding the purchase of computers and printers in all Level II and III hospitals in the County.

Hon. Speaker, Article 43 (1)(a) of the Constitution of Kenya, 2010 provides every person the right to the highest attainable standards of health, which includes the right to health care services, including reproductive health care. Further Article 227 provides that when a State organ or any other public entity contracts for goods or services, it shall do so in accordance with a system that is fair, equitable, transparent, competitive and cost-effective.

Hon. Speaker, the Nairobi City County Executive recently instructed all Level II & III hospitals to fund the purchase of computers and printers to enable provision of NHIF services in the hospitals.

Hon. Speaker, the tender for supply of the above mentioned equipment had initially been floated, however it was cancelled and a new tender advertised whereby M/s Muchokas Patter was awarded.

Hon. Speaker, in the Statement, the Chairperson should inquire into and report on: -

- i) Whether the first tender was ever completed and if it was awarded to any supplier; and
- ii) List of the suppliers who were shortlisted for the second tender and criteria that was used to award the tender to M/s Muchokas Patter.
