THE NAIROBI CITY COUNTY ASSEMBLY

THIRD ASSEMBLY

(FIRST SESSION)

22/11/2022

REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 47(2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Water and Sanitation regarding the drilling of seven (7) boreholes that were advertised through a tender on 6th May, 2022 by the Nairobi Water and Sewerage Company (NWSC) whose projects have stalled including the one in Dandora 11 Ward.

Hon. Speaker, it is very important for the County to immediately come up with a framework to ensure that when contracts are advertised, they should be awarded to reliable contactors to prevent stalling of projects in light of the many that have stalled in the preceding financial years.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on: -

- i. Whether the performance period of the contract has lapsed;
- ii. Whether the County Executive has any plans to re advertise the said tender;
- iii. Efforts being made to address the challenges of water shortage in the County; and
- iv. Measures the County Executive in conjunction with Nairobi Water and Sewerage Company (NWSC) have put in place to ensure water is accessible in adequate quantities for the residents of the County.
