

THE NAIROBI CITY COUNTY ASSEMBLY

THIRD ASSEMBLY
(FIRST SESSION)

REQUEST FOR STATEMENT

Subject: Officers working in the County Executive**Hon. Speaker,**

Pursuant to Standing Order 47(2)(c), I wish to request for a statement from the Chairperson of Sectoral Committee on Labour and Social Welfare regarding officers seconded from the National Government to County Executive since 2013.

Hon. Speaker, during the transition to devolved government period, a number of officers from the National Government were seconded to the County Government to assist the County Government in the delivery of services that are within its mandate. They were also to help in building capacity to the County Government for effective service delivery. However, it is alleged that, until now, there are seconded National Government officers still working at the County Executive ostensibly because their services are still required at the County.

Further, **Hon. Speaker,** there are officers in the County executive who were appointed in acting capacities and six month months acting cap has been exceeded. This is in violation of the law that require such officers to be confirmed into the respective positions. This has a direct effect on service delivery in the County for there are functions that officers in acting positions cannot discharge.

Hon. Speaker, in the Statement, the Chairperson should inquire into and report on: -

- i) A list of Officers who were seconded from to the County Executive from the National Government and whether their continued working in the County is in violation of their terms and the Public Service Human Resource Policies;
- ii) Whether it is intention of the County Executive to absorb the officer seconded from the National Government into the County Public Service or the said officers will be send back to the parent MDAs at the National Government; and
- iii) Reasons why officers in acting positions have not resumed substantive positions or confirmed despite the lapse of the six months as envisaged in Government Human Resource policies;

Hon. Thuo Fiunifui, MCA
MEMBER FOR KARURA WARD
