THE NAIROBI CITY COUNTY ASSEMBLY

THIRD ASSEMBLY

(THIRD SESSION)

REQUEST FOR STATEMENT

Subject: Status of Computed Tomography (CT) scan at Mama Lucy Hospital

Hon. Speaker,

Pursuant to Standing Order 47(2) (c), I wish to request for a Statement from the Chairperson of the Sectoral Committee on Health Services regarding the status of Computed Tomography (CT) scan at Mama Lucy Hospital.

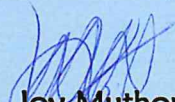

**Hon. Speaker,** Mama Lucy Kibaki Hospital operates under the Nairobi City County Health Services and serves as a key healthcare provider. It offers a wide range of inpatient and outpatient services including diagnostic services such as CT scans.

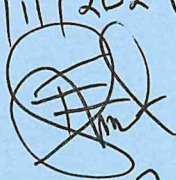

**Hon. Speaker,** it is alleged that uninsured patients face a cost of KSh. 8,000 - Ksh. 10,500, which is too costly for most uninsured low- income patients who are required to make payments before the service is offered, even in emergency cases.

**Hon. Speaker,** it is also alleged that a payment of Ksh. 10 million is paid monthly in order to service the loan that was taken for the purchase of the CT scan, yet the machine was acquired through funding support.

**Hon. Speaker,** in the Statement, the Chairperson should inquire into and report on: -

- i. Whether the uninsured patients in critical condition pay beforehand a total amount of Ksh. 8000 - Ksh. 10,500 for a CT scan;
- ii. Whether the payment for CT scan can be subsidized to accommodate low-income patients;
- iii. Status of the repayment of the financial funding owed for the purchase of the CT scan;
- iv. Status of the CT scan at Mama Lucy Hospital.
