Hon. Speaker,

Pursuant to Standing Order 47(2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Health Services regarding procedure for issuance of food handlers' certificates in the County.

Hon. Speaker, Paragraph 2 of Part Two of the Fourth Schedule to the Constitution of Kenya, 2010 provides for the functions of the County Government on County health services, including, in particular licensing and control of undertakings that sell food to the public.

Hon. Speaker, the County Executive has contracted some private companies to issue food handlers' certificate to traders on the behalf of the County Government allegedly without following laid down procedures and without proper structures in the place.

Hon. Speaker, in the Statement, the Chairperson should inquire into and report on: -

1. List of companies contracted by the County Executive to issue food handlers' certificate and their ownership;
2. Whether the contracts were advertised and when;
3. Terms and conditions of the contracts;
4. Whether the Companies submits monthly/weekly reports to the County Government; and
5. Whether there is a policy with criteria on issuance of food handlers' certificate by private companies on behalf of the County Government.
