T&J/S/2026/-- GOVERNMENT OF NAIROBI CITY COUNTY

THE NAIROBI CITY COUNTY ASSEMBLY

THIRD ASSEMBLY

(FIFTH SESSION)

RECEIVED APPROVED 03 NOV 2026 SPEAKER

REQUEST FOR STATEMENT

Subject: Allocation of Market stalls to traders across all the completed County Markets

Hon. Speaker,

Pursuant to Standing Order 47(2) (c), I wish to request for a Statement from the Chairperson of the Sectoral Committee on Trade, Tourism and Cooperatives regarding the allocation of market stalls to traders across all the completed Markets within the County.

Hon. Speaker, Article 43 of the Constitution of Kenya 2010 provides for the socio-economic rights of every person including the right to be free from hunger, and to have adequate food of acceptable quality.

Hon. Speaker, the National Government in partnership with the County have constructed various markets across the County one being Clay City Market in Clay City Ward which is to serve residents of Clay City, Kasarani and Mwiki Wards.

Hon. Speaker, the Market is more than place where traders buy and sell fresh produce. The Market will be one of the County's most reliable source of own-source revenue, which may generate millions of shillings each year through market fees and other levies that help finance essential public services. The Market will provide an economic empowerment to residents across the County.

Hon. Speaker, in the Statement, the Chairperson should inquire into and report on: -

1. Whether the recently completed Clay City Market is under the County Government Management or the National Government;
2. Number of stalls in the recently completed Clay City Market;
3. Nature of businesses to be undertaken at the completed Clay City Market;
4. When will the stalls be allocated to traders;
5. Criteria to be used in allocation of stalls to traders across the County.
