

THE NAIROBI CITY COUNTY ASSEMBLY

THIRD ASSEMBLY

(FIFTH SESSION)

REQUEST FOR STATEMENT

Undertaking issued
by the Hon. Deputy Speaker
on behalf of the Committee
21/7/2026

Hon. Speaker, Pursuant to the provisions of Standing Order No. 47(2)(c), I wish to request a Statement from the Chairperson of the Sectoral Committee on Transport and Public Works on the ongoing cabro paving works being undertaken within the Nairobi Central Business District (CBD).

Hon. Speaker, the County Government has undertaken the rehabilitation and improvement of roads, pedestrian walkways and public spaces within the Central Business District through the installation of cabro paving blocks. While the project is expected to improve the environment and facilitate economic activities, there is public interest regarding the procurement process, scope of works, project timelines and value for money.

Hon. Speaker, it is imperative that the County Assembly exercises its oversight role to ensure that public resources are utilized prudently and that the project is implemented in accordance with the approved specifications, timelines and applicable laws.

Hon. Speaker, in the Statement, the Chairperson should inquire into and report on:

- i. A detailed report on the name of the contractor(s) undertaking the cabro paving works within the Nairobi Central Business District and the procurement method used in awarding the contract(s);
- ii. A comprehensive report on the scope of works under the contract including the roads, streets and pedestrian walkways covered including showing the approved contract sum and the source of funding for the project;
- iii. A report on the commencement date, expected completion date and current implementation status of the project; and
- iv. The measures being undertaken by the County Executive to ensure the timely completion of the project with minimal disruption to businesses and the public.

HON. GEOFFREY MAJJIWA, MCA
BABA DOGO WARD
