GOVERNMENT OF NAIROBI CITY COUNTY

THE NAIROBI CITY COUNTY ASSEMBLY

THIRD ASSEMBLY

(FIFTH SESSION)

REQUEST FOR STATEMENT

Hon. Speaker, Pursuant to the provisions of Standing Order No. 47(2)(c), I wish to request a Statement from the Chairperson of the Sectoral Committee on Transport and Public Works regarding the gazettement of bus stops and the allocation of loading zones within Nairobi City County, especially in Baba Dogo Ward.

Hon. Speaker, Part II of the Fourth Schedule of the Constitution of Kenya, 2010 presupposes that there shall be efficient management of public transport infrastructure which is a critical function of the County Government. The designation of bus stops and loading zones is planned to promote public transport operations and improve traffic flow. However, concerns have been raised regarding the location and management of gazetted bus stops and loading zones across the City.

Hon. Speaker, there is also public concern regarding the criteria used in allocating loading zones, the fees payable by operators and whether the existing facilities meet the standards recommended by the National Transport and Safety Authority (NTSA) and other applicable regulations.

Hon. Speaker, in the Statement, the Chairperson should inquire into and report on:

- i. A detailed report on the total number of gazetted bus stops currently designated within Nairobi City County, indicating their respective locations;
- ii. Whether the gazetted bus stops comply with the standards and recommendations issued by the National Transport and Safety Authority (NTSA) and the Nairobi City County Transport Act, 2020;
- iii. A comprehensive report on the total number of approved loading zones currently allocated within Nairobi City County, indicating their locations;
- iv. A report on fees, annual charges and any other costs payable for the allocation and renewal of a loading zone within Nairobi City County;
- v. A detailed report on the number and locations of gazetted bus stops and approved loading zones within Baba Dogo Ward; and
- vi. Measures being undertaken by the County Executive to improve the planning, management and enforcement of bus stops and loading zones across the County.

HON. GEOFFREY MAJJIWA, MCA
