NAIROBI CITY COUNTY ASSEMBLY
SECOND ASSEMBLY - FIRST SESSION

REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45(2)(c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Health Services regarding the equipping of Maternities and Dispensaries.

Hon. Speaker, through the Constituency Development Fund, residents of Ruai benefitted from the construction of a Maternity unit and Dispensaries three years ago. However, the Maternity and the Dispensaries have never been properly equipped to date. For instance, the Maternity has no medical supplies, doctor nor nurses, despite the potential to serve nearly 3000 others if operationalized. A list of supplies needed has even been shared with the relevant County department for action by residents, and a response is pending.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) When the County Executive plans to operationalize the Maternity in Ruai Ward;
- ii) Plans by the County Executive to equip all Dispensaries with Medical supplies and make them operational 24/7;
- iii) Reasons for the prolonged delays in equipping such critical but dormant health facilities for the benefit of residents across the City.

Hon. John Kamangu, MCA.
MEMBER FOR RUAU WARD
