NAIROBI CITY COUNTY ASSEMBLY
SECOND ASSEMBLY - FIRST SESSION

REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45(2)(c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Transport and Public Works regarding the tarmacking of roads in Nairobi, especially in Ruai Ward.

Hon. Speaker, the defunct City Council of Nairobi and Nairobi City County executive have tarmacked and continue to tarmac various roads in City Estates, except in places such as Ruai, which despite generating considerable income for the County don't have a single tarmacked service road.

Hon. Speaker, by estimates, the greater Ruai area needs about 20KM of tarmacked roads to facilitate ease of doing business. The Community has even been willing to create joint partnership for the murraming of some roads by providing materials while the County provides the machinery.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) Plans, if any, to tarmac service roads in areas that currently have none, such as Ruai Ward;
- ii) Whether the County can explore mechanisms to tarmac at least a total of 20KM of various select service roads in Ruai Ward so residents can similarly enjoy faster movement of goods and services;
- iii) Possibility of partnership between the County Government and Residents Associations or Communities to murram service roads in the wards to motorable conditions.

A large, stylized handwritten signature in blue ink, appearing to read 'John Kamangu'.

Hon. John Kamangu, MCA.
MEMBER FOR RUI WARD
