

NAIROBI CITY COUNTY ASSEMBLY
SECOND ASSEMBLY - FIRST SESSION

REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45(2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Water and Sanitation regarding water supply in Dagoretti City Inspectorate Training School.

Hon. Speaker, ~~the~~ for more than a decade now the training school staff quarters have not had water in their taps despite the compound. This is despite the compound being less than 5km from the offices of Nairobi Water and Sewerage Company and a county borehole next to the facility.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) Measures taken to reconnect water supply in the staff quarters and when this will be done.
- ii) Efforts put in place to rehabilitate the water pump in the borehole to enable it adequately serve the training school as well as surrounding residents.
