NAIROBI CITY COUNTY ASSEMBLY
SECOND ASSEMBLY - FIRST SESSION

REQUEST FOR STATEMENTS

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Water and Sanitation regarding the provision of clean water to Nairobi City County residents.

Hon. Speaker, clean water is essential for human survival and the Nairobi City Water and Sewerage Company is legally obligated to provide residents of this city with clean water for consumption and other domestic uses.

Hon. Speaker, it is ironical that most city residence's taps are dry while the water sellers are minting money from their water selling businesses.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) List of water sellers in every Ward;
- ii) The amount of water consumed by each reseller in the last six months;
- iii) The amount of money each seller has paid to Nairobi City Water and Sewerage Company in the last six months;
- iv) When the company will end the water rationing programme since we have had adequate rainfall in the county.

Hon. Osman Adow, MCA
