NAIROBI CITY COUNTY ASSEMBLY  
SECOND ASSEMBLY - FIRST SESSION

**REQUEST FOR STATEMENTS**

Hon. Speaker,

Pursuant to Standing Order 45 (2) (c), I wish to request for a statement from the Chairperson of the Sectoral Committee on Transport and Public Works, regarding the deplorable state of some key County roads, especially Marigiti Lane.

Hon. Speaker, users of the famous Marigiti Market are increasingly finding it difficult to undertake business in the market given the deplorable state of the Marigiti Lane, being a main road artery that serves the Market.

The situation is especially worsened during the rainy season, when the road becomes completely impassable to both human and motorized traffic, resulting in huge losses to traders and wasted man hours.

Hon. Speaker, in the statement, the Chairperson should inquire into and report on:-

- i) List of all Gazetted County Roads and status of repair or disrepair;
- ii) Measures taken by the County Executive, if any, to renovate all County roads currently in deplorable state;
- iii) When does the County Executive plan to fix key County trunk roads such as those in the Markets and Estates;
- iv) Plans, if any, to institute remedial measures to make Marigiti Lane motorable to alleviate the suffering of traders and pedestrian users accessing the market; and
