3. COMMUNICATION FROM THE CHAIR

– PROVISION OF TEA FOR COMMITTEES

Hon. Members,

The Chair is alive to concerns from the Membership regarding the lack of operations at the Assembly cafeteria and the subsequent absence of tea for Committee Meetings, the same having been abruptly stopped in the recent past without much explanation.

Hon. Members, the Chair had committed to communicate on this matter soonest possible. I now wish to report that the office of the Speaker has taken up the matter and is working round the clock to ensure operations resume at the Cafeteria. The Welfare of members is the utmost duty of the Chair, and to that the extent the Assembly Service Board has put in place mechanisms for resumption of the provision of tea to Committee meetings and for the membership. The chair will keep the House apprised on this matter regularly until such time as operations fully resume at the Cafeteria.

– RATIONALIZATION OF MEMBERSHIP OF COMMITTEES

Hon. Members, the Chair is similarly alive to simmering disquiet amongst Members regarding the Membership of various Assembly Committees.

Indeed, Members have personally complained to the Chair regarding the prevailing situation and asked that the Chair intervene with the leaderships of the parties to explore rationalization measures to ensure Membership of Committees reflects the membership of the County Assembly from all Parties.

Accordingly, **Hon. Members**, the Leadership of the parties has assured the Chair that rationalization of Committees will be undertaken as soon as possible. It is my hope that this rationalization truly aligns the membership of assembly committees with the face of the Assembly as represented by the various Parties.
