

COUNTY GOVERNMENT OF NAIROBI CITY

SECOND ASSEMBLY – SECOND SESSION

NAIROBI CITY COUNTY ASSEMBLY

VOTES AND PROCEEDINGS

TUESDAY, JULY 10TH, 2018

1. The Assembly assembled at fifty seven Minutes past Two O'clock.
2. The Proceedings were opened with Prayer.
3. Hon. Maurice Gari rose on a motion of privilege pursuant to Standing Order 56(h) to request that the County Assembly Service Board to move and declare the office of the Clerk vacant and subsequently have the position advertised. He further sought to know why the positions of the other Members of the board were advertised in one local daily contrary to what has been the practice; a move which could lock out other interested candidates.
4. **NOTICE OF MOTION PURSUANT TO STANDING ORDER 51(1):-**

The following notice of motion was issued by Hon. David Okelo, MCA

THAT AWARE that public toilets play a crucial role in the maintenance of a hygienic and clean city given that every day, thousands of people visit the city centre and a big proportion need the use of such public amenities; **NOTING** that the insufficiency of public toilets across the City, especially along busy streets and neighborhoods, has occasioned misery to commuters and residents who can't access the crucial amenities, for instance along Moi Avenue and downtown Nairobi, where matatu operators relieve themselves between stationary vehicles, leaving permanent streaks of urine patterns on the road and parking bays; **FURTHER NOTING** that similarly, most lanes in downtown Nairobi have been turned into 'toilets' with the mess rarely cleaned or collected; **REGRETTING** that the existing county public toilets close before 9pm, leaving those in need to rush to restricted toilets in pubs and hotels, poorly-lit street corners or flower gardens; **RECOGNIZING** that the city centre alone by reserve estimates needs about 50 public toilets and improved security to meet the current demand; **REALIZING** that for the County public toilets to remain clean and run efficiently

a model that allows for creation of employment is best suited, for instance allowing youth groups to run the facilities for a small fee per use as currently established; this Assembly RESOLVES that the Nairobi City County Executive identify and establish modalities for allowing youth groups in each ward to run and manage public toilets under supervision of the Environment Department within a streamlined pay per use framework that encourages efficiency.

The Hon. Speaker directed Hon. Maurice Gari to use other available channels to address the issues he is raising as it was not proper for him to drag the name of the board to the Assembly.
