6. MOTION – SUBJECT: INSTALLATION OF SOLAR POWER IN THE COUNTY PREMISES AND CLEAN ENERGY POLICY.

Motion Made and Question proposed;

THAT, aware that paragraph 8 of Part Two of the Fourth Schedule to the Constitution of Kenya, 2010 provides for electricity and energy regulation as a function of the Government; **further** aware that all societies require energy services to meet basic human needs such as lighting, cooking, space comfort, mobility, communication and to serve productive processes; **cognizant** that for development to be sustainable, delivery of energy services need to be secure and have low environmental impacts; concerned that frequent power outage across the County has immense effect on the various Sectors of the Economy such as industries, hospitals, businesses amongst other service providers; **further concerned** that the power outage open an avenue for criminal activities like break-ins given that alarms and surveillance systems, electric fences and other security protocols are disabled in premises that primarily rely on Kenya Power supply; acknowledging that the County Assembly is the process of enacting a legislation on clean, renewable and sustainable energy which will offer opportunity to contribute to social and economic development, energy access, secure energy supply, climate change mitigation, and the reduction of negative environmental and health impacts, this Assembly **urges** the County Executive to: -

1. Develop a policy on the use and management of clean, renewable and sustainable energy; and

2. Install solar power in all County offices to ensure uninterrupted timely service delivery to residents of Nairobi City County.

(Hon. Mwaura Samora, MCA)
