4. MOTION-RENAMING CITY MORTUARY TO NAIROBI CITY COUNTY FUNERAL HOME

Motion Made and Question Proposed; -

THAT, WHEREAS Article 186 and the Fourth Schedule of the Constitution of Kenya, 2010, assigns the responsibility for health services, including funeral homes and mortuaries, to the County Governments, thereby empowering the Counties to regulate and oversee the management and operations of such

facilities within the County; AND WHEREAS Article 43 of the Constitution of Kenya guarantees every person the right to the highest attainable standard of health, which encompasses dignified and respectful handling of the deceased and adequate facilities for the bereavement process; RECOGNIZING that the facility currently known as City Mortuary has served the residents of Nairobi for decades as the primary public mortuary, but has been historically associated with unfortunate instances of mismanagement, including loss of bodies, poor record-keeping, inadequate facilities and other service delivery issues that have negatively affected its reputation among the residents of Nairobi City County; NOTING that the Nairobi City County Government has made considerable steps to improve the standards of the facility, addressing past challenges in its operations, including enhancing record-keeping practices, upgrading infrastructure and setting up better management practices to ensure efficient, dignified and reliable services for the bereaved and their families; AWARE that a name change to "Nairobi City County Funeral Home" would reflect the reformed identity and improved standards of the facility, and align it with the current National standards in the management of public mortuaries, thus helping to restore public trust and demonstrate a commitment to dignified service delivery; NOW THEREFORE, this Assembly RESOLVES: i. To rename City Mortuary as the Nairobi City County Funeral Home to signify a new era of improved standards, management, and public trust in the facility's operations; and ii. That the Nairobi City County Executive to take all necessary steps for the name change, including updating all legal, administrative, and public records, and ensuring widespread communication to the public about the renaming and rebranding.
