**3. COMMUNICATION FROM THE CHAIR**

**COMMUNICATION REGARDING TOUR OF UHURU PARK**

Hon. Speaker: Hon. Members, good afternoon. Today, as we prepare to adjourn for the short recess, I just want to put across – and this should serve as a wakeup call and subsequently you move and proceed for the short recess, I would want to remind you of our Standing Order No. 252 on what is expected of you. I will read out the list of attendance of this session, that is immediately after we resume the Session after the recess.

Hon Members, Standing Order No. 252 is very clear on failure to attend sittings. I will be forced to implement this. I have just mentioned the unbecoming behaviour and attitude of Members towards their responsibility number one of

**THURSDAY, MARCH 20, 2025**

making sure that they do legislation, which is normally done at the committee level and at the plenary. This House has a total membership of 124, and the Standing Order requires that we have 43 Members present to transact the business of the Assembly.

Hon Members, there is no any other way of avoiding the fact that the House has always been adjourned due to lack of quorum, and it is in public domain that this is a trend. As the custodian of the Constitution and other constitutional requirements; the Acts, the Standing Orders and the Statutes, I will be forced to implement this Standing Order No.252.

Hon Members, you know yourselves. When that axe will fall on you, don't blame me as the Speaker because I will just write a letter to give a notice of vacancy. Whether you challenge it, I am telling you, you won't succeed. It is not possible. You remember in the last Assembly, one of the Members lost the seat just by a stroke of a pen by the Speaker for not attending Assembly sittings. So, I will just read this as a reminder. 252 (1) If, during any Session – and Assembly Session Calendar runs from February to December. Correct, A Member is absent from eight sittings of the County Assembly without permission, in writing from the Speaker – I have not received any permission from any Member – the Speaker shall report the matter to the County Assembly – of which I am doing now – and the matter shall stand referred to the Committee of Privileges for hearing and determination. (2) The Committee of Privileges shall enquire into the matter referred to it under paragraph one within 14 days from the date the matter is referred to it and shall thereupon for submit a report to the County Assembly. (3) If the report of the Committee finds that the Member has offered a satisfactory explanation for the Member's absence from eight sittings of the County Assembly without the permission in writing from the Speaker, there shall be no further proceedings in the County Assembly in respect of the matter. (4) If the report of the Committee finds that the Member has not offered a satisfactory explanation for the Member's absence from eight sittings of the County Assembly under paragraph (1), the Chairperson of the Committee or a Member of the Committee designated by the Committee for that purpose shall, upon submitting the report,

give a three days' notice of a Motion that, "This County Assembly notes the Report of the Committee of Privileges laid on the Table of the County Assembly on regarding" with other necessary modification.

(5) A Motion under paragraph (4) shall be debated in the usual manner of debating Motions, except that:

a) No amendment shall be permitted to the Motion; and (b) The debate of the Motion shall not be anticipated by a Motion for the adjournment of the County Assembly, and no dilatory Motion shall be moved in relation to the business, and the business shall not be interrupted under any Standing Order. Under line, 'the Motion shall not be interrupted'.

(6) At the conclusion of the debate on a Motion under paragraph (4), the Speaker shall not put a question but shall declare that, pursuant to Article 103 (1) (b) of the Constitution, the office of the Member concerned has become vacant. Hon Members, I really don't see a reason why the same Members, same faces who normally form a quorum in this Assembly are supposed now to take the bullet on behalf of lazy Members who are not in any way willing to adjust or even change their attitude. On this, Hon Members, I am very categorical. When the House resumes, I will expect the Clerk to have done a tabulation on the performance and attendance of Members in the plenary, and I will forward the same names to the Powers and Privileges [committee], where I chair, then I will bring the report. The report is just for discussion; you don't have to make any opinion out of it. It is still at the discretion of the Chair to decide whether to declare the seat vacant or not. We have Members here whom I cannot even say when I last saw their faces.

Hon. Members, I am repeating again, you know yourselves and understand what is expected of you. But I am sorry because am talking to the wrong Members. By way of addressing wrong Members, is because I can categorically state here as the Chair of the Assembly that these are the same faces I normally find at whatever time I preside the Assembly. I hope it will be communicated. These are your colleagues and your friends. We will read out the report loud but I will not

be ready to defend that report. It will be history because if we send up to 12 Members, we will declare those seats vacant. I am telling you whether you go to court, there are no terms of reference. So, take note, Hon. Members.”
