10. MOTION – INVESTIGATION OF ALL PUBLIC AND OPEN SPACES IRREGULARLY DEVELOPED IN THE COUNTY BY THE COUNTY EXECUTIVE IN CONJUNCTION WITH NATIONAL LANDS COMMISSION

Motion Made and Question Proposed

AWARE THAT Article 67 of the Constitution of Kenya, 2010 establishes the National Lands Commission with its functions being amongst others to; manage public land on behalf of the National and County Governments; and, to initiate investigations, on its own initiative or on a complaint, into present or historical land injustices, and recommend appropriate redress; **CONCERNED THAT** public land and open spaces reserved for the development of essential public amenities such as schools, hospitals, markets, recreational facilities and other infrastructure critical for public service delivery has been irregularly allocated, illegally occupied, or developed by private individuals and entities, thereby denying residents access to

essential services and impeding the County Government's ability to implement critical development projects; **DEEPLY CONCERNED** that the continued grabbing and encroachment of these parcels of land undermines the urban planning frameworks, violates land use regulations and contributes to the deterioration of service delivery in sectors such as education, healthcare, and sanitation; **NOTING** that the National Land Commission (NLC) is constitutionally mandated to manage public land on behalf of National and County Governments, and is empowered to initiate investigations into historical and current land injustices; **NOW THEREFORE**, this Assembly urges the County Executive in conjunction with National Land Commission to:-

- i) Conduct a comprehensive audit and investigation on all public land and open spaces in Nairobi City County that have been irregularly allocated, occupied, or developed in the County;
- ii) Publicly share the outcomes of the investigations and table a comprehensive report with recommendations to the relevant National and County Government institutions including the County Assembly for further action; and,
- iii) Take appropriate action to reclaim such parcels of land where illegality has been committed either by the Commission or the Courts of Law.
