4. MOTION – HON. KENNEDY OYUGI, MCA

SUBJECT: PROMOTION OF ROAD SAFETY IN THE NAIROBI CITY COUNTY.

Motion Made and Question Proposed

AWARE that, paragraph 5 of Part 2 of the fourth schedule of the Constitution of Kenya, 2010 provides for County Transport including but not limited to; County roads, street lighting, traffic and parking and public road transportation as a devolved county function; **FURTHER AWARE** that Section 5 (2) of the Nairobi City County Transport Act, 2020 provides that the relevant County Executive Committee Member shall be responsible for *inter-alia*; regulation of an integrated public transport system, and promotion of non-motorized transport in the County; **DISTURBED THAT** road safety remains a critical concern within Nairobi City County, particularly within the Central Business District (CBD), where high human and vehicular traffic creates increased risk for accidents and conflicts among road users; **DEEPLY CONCERNED THAT** the rapid growth of *boda boda* motorcycle transport and Public Service Vehicles (PSVs), especially *matatus*, has significantly contributed to congestion, disorderly movement, and frequent violations of traffic regulations within the CBD, with the highest violators of lane discipline and use of walkways being the *boda boda* operators; **COGNIZANT THAT**, pedestrians and other users of non-motorized transport continue to face unsafe conditions due to encroachment on footpaths, walkways, and designated non-motorized transport lanes by motorcycles and other vehicles, compromises public safety, accessibility, and order within the city; **AGITATED THAT**, excessive hooting and the use of loud and modified mufflers by motor vehicles and motorcycles within the CBD has created noise pollution, causing nuisance and disruption to corporate offices, government institutions, learning institutions, and other public spaces; **RECOGNIZING THAT**, the promotion of disciplined road usage, enforcement of traffic regulations, and reduction of noise pollution are critical components of a safe, orderly, and livable urban environment; **APPRECIATING THAT**, effective collaboration between the County Government, the National Government, and relevant agencies is essential in achieving sustainable road safety and urban mobility management; this **ASSEMBLY THEREFORE RESOLVES** that;-

- i) The County Government of Nairobi develops and implements a **comprehensive Road Safety and Urban Order Campaign**, with particular focus on the Central Business District, aimed at promoting safe and orderly coexistence among *Boda boda* motorcycle riders, Public Service Vehicle (PSV) operators, pedestrians and users of non-motorized transport;
- ii) The County Executive, in collaboration with the National Government

- and its agencies, enforces regulations to **ban unnecessary hooting** within the Central Business District, **Prohibit the use of loud and modified mufflers** by motor vehicles and motorcycles that contribute to excessive noise pollution and establish enforce acceptable noise level standards within urban areas;
- iii) The County Executive develops supportive infrastructure and systems, including; clearly demarcated pedestrian walkways and non-motorized transport lanes and installation of signage on “No Hooting Zones” and noise control areas within the CBD;
 - iv) Enforce the 10KPH speed limit within the Central Business District;
 - v) Develop more pedestrian crossing areas (Zebra Crossing) and enforce the use of them for the safety of road users; and
 - vi) The County Executive to submit a **progress report within six (6) months** to the County Assembly detailing the implementation status of the road safety campaign, compliance levels among road users and reduction in accidents, encroachment cases, and noise pollution levels within the CBD.
