**RESUMPTION FROM SHORT BREAK FOLLOWING CASA GAMES**

The Hon. Speaker issued the following Communication;

“Hon. Members, good afternoon once again. I have the following communication to convey:

May I, at the outset, welcome you all back to this Assembly, following our short break. I trust that this period provided you with a valuable opportunity for constituency engagements, personal reflection, and, for some, a well-deserved respite, and importantly, to participate in the just concluded County Assemblies Sports Association (CASA) games. We reconvene today for the brief remainder of

the Assembly Calendar to continue the critical task of legislating, oversight, representation and policy making for our great City County.

Hon. Members, today, we not only mark the resumption of legislative business but to first and foremost sound a note of triumphant celebration. We have returned not merely from our various Wards, but from the vibrant and competitive fields of Meru County, where the spirit of Nairobi soared high and mighty at the recently concluded CASA Games.

Hon. Members, before we delve into the business of the day, we must first occupy this space with the echoes of our cheers, the image of our collective endeavor and the gleaming trophies and medals. This is a moment for the Nairobi City County Assembly, in its entirety, to stand tall and bask in the glory we have earned together.

My first and most profound duty today is to extend, on behalf of this Assembly's leadership and on my own behalf, our deepest and most sincere gratitude to every single person who contributed to our participation in Meru County.

To the Hon. Members and staff, thank you. Thank you to those who traveled to Meru County to compete, to cheer and to support. Your presence on the tracks, in the stands, and in the team camps was a powerful testament to our unity.

Our No. 2 overall ranking was not by luck, but by your collective dedication to the various teams. You demonstrated that the Nairobi spirit is one of solidarity. Special thanks to coaches, trainers, team managers and captains for working together to transform raw talent into formidable units that competed remarkably. May I also sound special thanks to the Leader of Majority Party who happens to be the president of CASA and his team.

Your dedication to promotion of cohesion, interaction and sharing among County Assemblies contributes to the national call for integration and unity which must be recognized.

Hon. Members, our esteemed officers who participated in planning for the event, your meticulous planning, logistical coordination and unwavering support behind the scenes were the bedrock of our success. You ensured our teams were equipped and we appreciate your diligent work.

Hon. Members, while every participant is a winner, this Assembly will be remembered with the extraordinary feats of two specific teams; the football team and the pageant (modelling) team whose teamwork, resilience, and tactical brilliance brought home trophies, crowns and medals.

Congratulations and thank you for bringing victory home."

Hon. Members, as we resume for this short period before we break for the Long Recess, our in-tray is full with numerous business that we need to dispense with, including Motions, Bills, Reports of Committees and Statements. Most importantly, there are various budget related documents that need to be processed including the Annual Development Plan; Tariffs and Pricing Policy; the Finance Bill, request for borrowing by the County Executive and the Supplementary I Budget Estimates.

These are critical documents for the running of the County Government and I call upon the relevant Committees to work beyond normal in order to deliver on the documents. I also call upon the Honorable Members to demonstrate commitment in order to conclude these business by the date of adjournment for the long recess, but must be in line with the requirement of the Constitution. Thank you.”
