3. COMUNICATION FROM THE CHAIR: -

The Hon. Speaker issued the following Communication: -

Welcome from the Recess

“Honourable Member,

It is my pleasure to welcome you back to the County Assembly from the well-deserved break I believe that you had a consequential engagement with your constituents and family. Being representatives of the people, it matters to a great extent, your interaction with them, as it provides a platform for feedback, new ideas and concerns regarding service delivery.

Submission and processing of the Estimates of Revenue and Expenditure FY 2026-2027

Honorable Members,

While the County Assembly was on Recess, the County Executive vide a letter dated 29th April 2026, submitted the Estimates of Revenue and Expenditure pursuant to the provisions of Section 129 (2) of the Public Finance Management Act, CAP 412 A.

Honorable Members,

The Public Finance Management Act, CAP412A provides as follows regarding the processing of the Estimates:

Section 131 (1) provides that and I quote:

The county assembly shall consider the county government budget estimates with a view to approving them, with or without amendments, in time for the relevant appropriation law and any other laws required to implement the budget to be passed by the 30th June in each year.

Further, Section 131 (2) of the Act provides that:

Before the county assembly considers the estimates of revenue and expenditure, the relevant committee of the county assembly shall discuss and review the estimates and make recommendations to the county assembly, and in finalising the recommendations to county assembly, the committee shall take into account the views of the County Executive Committee member for finance and the public on the proposed recommendations.

In addition, Standing Order 228 (3) (3) (4), provides that:

The Estimates and related documents submitted under Paragraph (1) will be tabled in the County Assembly within three days of submission. Upon being laid before the County Assembly, the Estimates shall be deemed to have been committed to each Sectoral Committee without question put, for each such committee to deliberate upon according to their respective mandates. Each Sectoral Committee shall consider, discuss and review the Estimates according to its mandate and submit its report and recommendations to the Budget and Appropriations Committee within twenty-one days.

Honorable Members,

As you are aware, the submission of the Estimates was executed while the Assembly was on Recess. Consequently, it was procedurally impractical to Table before the Assembly in the ordinary manner prescribed by the Standing Orders since delay could disrupt the statutory timelines.

Accordingly, pursuant to established practice and the application of Standing Order 44 with necessary modifications, I, vide a memo dated 5th May 2026, caused the Budget Estimates to be transmitted to the Chairman of the Select Committee on County Budget and Appropriations and Chairpersons of all Sectoral Committees for consideration and reporting within specified timelines.

Transmission of the request to borrow

Honourable Members, my office is in receipt of a letter **Ref. CECM (FEP), CKK/ran/2007/2026 dated 14th May 2026** from the Ag. the County

Secretary submitting the request for the County Executive to execute a commercial borrowing amounting to Ksh. 6,919,597, 132 pursuant to Article 212 of the Constitution of Kenya 2010 and Section 142 of the Public Finance Management Act, cap 412A. The purpose of the borrowing is to finance priority development projects within the medium-term fiscal framework

Honorable Members,

Since the request was submitted while the County Assembly was on Recess, I invoked the procedures applied in the foregoing transmission of the Revenue and Expenditure Estimates to transmit the request and the accompanying documents to the Select Committee on County Finance, Budget and Appropriations for consideration pending formal Tabling before the Assembly.

Accordingly, Honourable Members, when the relevant Order is called, I will be calling upon the Leader of the Majority Party to formally lay the Nairobi City County Estimates of Revenue and Expenditure FY 2026/2027 and the Request for Authority to Execute a Commercial Borrowing by the County Executive.

Honourable Members, I wish you fruitful engagements in line with your Constitutional duties for the remainder of this part of the Assembly Calendar.

I thank you, Honourable Members.”
