3. **COMMUNICATION FROM THE CHAIR:-**

The Speaker conveyed the following Communication from the Chair –

— **SECURITY CONCERNS IN THE CITY AND AROUND THE CITY HALL**

“Hon. Members,

“I have just gotten a report from the security chiefs and actually I had to look at the newspaper with regard to a terror attack or threat aimed at the buildings opposite this County Assembly.

Hon. Members, we would like to appeal to you to stop parking vehicles outside these shops especially the M-pesa shop and Ankara Hotel. Please, refrain for your own security. The security personnel or rather the Nairobi Security Committee has asked me to convey this message because failure to do that, the police will have to tow your vehicles. The security concern as we said yesterday is actually serious and we must also take that responsibility of not just parking our cars anywhere. Are you not worried about your own security? Please, from now on, do not park in front of those shops and I also want to ask the Sergeant-At- Arms, the Clerk and whoever is listening; please, let's take precaution over the people milling around City Hall, because if terrorists were to attack the next Mall, who would they really target? It is you. Please we are asking

you not to park your cars in the said areas as they will be taken away by the police. We are also very grateful to the police reinforcement; the sniffer dogs are all around the precincts of the Assembly all the way up to the Catholic Church. The Government is also up on its game but it is also our own responsibility not to park those cars in a manner likely to cause us harm. Thank you very much, Members.
