3. **COMMUNICATION FROM THE CHAIR**

The Speaker conveyed the following communication from the Chair:-

“Honourable Members, I have the following communications to make –

Honorable Members, welcome back from the long recess. It is my hope that you had a wonderful break. I trust you began the New Year well.

Honorable Members, today we resume our Sittings for the Fourth Session of the First Assembly of the Nairobi City County Assembly.

Hon. Members, you will agree with me that it has been an exciting three years. We have erred and we have learnt, we have agreed and we have also disagreed. But what's important is that we have achieved tremendous progress in the three years since commencement of our Sittings. When all is said and done, the people of Nairobi and history will judge us for the legacy we shall leave behind. I am happy to report that we have indeed performed above board.

Hon. Members, as we commence the Fourth Session today, I trust that we shall embark on this second last Session of this Assembly with the vigor and enthusiasm that our duty demands.

Honourable Members, on my own behalf, and on behalf of the County Assembly, I wish to welcome all of you back.

- **CONCLUSION OF PENDING REPORTS**

Hon. Members, as you are aware, as at the time the Assembly went on recess in December of 2015, there were Committees that had pending business before them, among them Reports and Responses to Statements.

Hon. Members, you are further aware that the Standing Orders require that other than the reconstitution of the Assembly Business Committee at the beginning of every Session, the watchdog Committees, namely PIC, PAC and Budget and Appropriations must also be reconstituted afresh at the lapse of Three Sessions.

As such, any pending business from the said watchdog Committees shall be automatically committed to the freshly constituted Committees once the same is approved by the Assembly.

Hon. Members, the Chair wishes to remind Chairpersons of other Select and Sectoral committees of the need to urgently conclude work on pending Responses and Reports to enable the Assembly dispense with pending business from the Third Session.

Chairpersons of Committees with interim Reports must move with speed to conclude on the same and table for further consideration.

It is so advised.

Thank you.”
