3. COMMUNICATION FROM THE CHAIR:-

The Speaker conveyed the following communication;

“Honorable Members,

On Wednesday 23rd March 2016, the Chair committed to issue a communication regarding the persistent absenteeism of Committee Chairpersons from plenary when required to report to the House on matters before their respective Committees.

Hon. Members, the Chair cannot reiterate enough the place of Committees in realizing the prerogatives of the County Assembly. As you are aware, committees, as an extension of the Assembly, perform the

bulk of the work that would otherwise be difficult to accomplish in an assembly of more than 100 members.

Hon. Members, it is therefore a grave disservice to this Assembly that business before this Assembly should suffer undue delays in consideration because Committee Chairpersons choose to absent themselves from plenary without due written notice.

Hon. Members, the Chair wishes to take this early opportunity to sternly warn Committee Chairpersons that this habit shall not be tolerated. I therefore direct the Liaison Committee to report on Tuesday 29th March, 2016, on measures the Committee has put in place to avoid this great disservice going forward. It is so directed.

Thank you.”

5. MOTION – TO IMPLEMENT ALL PENDING OR INCOMPLETE PROJECTS FROM FY 2014/2015 WITHIN THE NEXT 90 DAYS

THAT, aware that the 2014/2015 budget was passed and included allocations for capital projects, including the Wards Development Fund; deeply concerned that despite the allocation the said capital projects have suffered slowed implementation by the County Executive and thus hindered the delivery of services to Nairobi residents; noting that the biggest impediment to implementation of projects, including Wards Development Fund projects, remains endless delays in the procurement function; realizing that there are numerous incomplete projects from the preceding financial years that are yet to be completed, while the Assembly has moved ahead to allocate additional monies for FY 2015/2016, this Assembly resolves that the County Executive move with speed to implement all pending or incomplete projects from FY 2014/2015 within the next 90 days and report back to the Assembly on progress regarding the same at the lapse of the said period.

(Hon. Peter Imwatok, MCA)
