**3. COMMUNICATION FROM THE CHAIR:-**

The Deputy Speaker conveyed the following communication;

“Honorable Members, welcome back from the short recess. It is my sincere hope that you had a wonderful and fruitful break.

Honorable Members, before I proceed with my communication, I wish to inform the Assembly that as you are aware, before we broke for the short recess, the Chair had indicated to the Assembly that we would resume today in the new chamber. However, we postponed the launch of the new chamber by a few weeks since we had invited H.E. the President to grace the launch. So far, Statehouse is yet to confirm the date as proposed. However, we have written to them requesting for a new date preferably from 1<sup>st</sup> August, 2016. In addition, there are a few pending works in the new chamber which were occasioned by the delay of disbursement of money to the Assembly in the month of June.

Honorable Members, in this regard, I wish to inform you that once the said issues are resolved a new date for the launch of the Chamber shall be set preferably in the month of August, 2016.

Hon. Members, as we continue with the Second Part of the Fourth Session, I wish to remind you of the business before us. These include Bills, Motions, Statements and Petitions. Committees with pending reports are advised to expedite conclusion of the same.

Hon. Members, you are therefore encouraged to continue working with the diligence you have exhibited in executing your mandate for the benefit of Nairobi residents.

— VISITING DIGNITARY FROM NORWAY

Honorable Members, I would like to acknowledge the presence, in the Gallery this afternoon, of Prof. Eli Bergsvik, Assistant Professor Department of Education, Bergen University College, Norway. The Professor is accompanied by Prof. Maureen Anyango from Babadogo Ward.

Honorable Members, Prof. Bergsvik together with Sotra Sports Club of Norway have initiated and supported a Community Library in Babadogo Ward. In addition, they are in the process of initiating a computer training school and a garbage recycling project in the said ward. Already, they have delivered thirty four (34) computer laptops for the said computer training school.

Honorable Members, it's against this backdrop that Hon. Shadrack Juma who is the area Member of County Assembly shall be visiting Norway in September, 2016 to follow-up on the pending issues with respect to the projects.

Honorable Members, I therefore wish to challenge all members to use opportunities they have when they travel outside the country to engage development partners who can support such noble initiatives that can improve the livelihoods of Nairobi residents.
