THAT, aware that Article 186 (1) of the Constitution of Kenya 2010, and paragraph 5 of the Fourth Schedule to the Constitution provide for the functions and powers of County Government on County transport including regulation of county roads, street lighting, public road transport traffic and parking; further aware that Paragraph 8 of part two of the Forth Schedule of the Constitution, 2010 provides for county planning and development including housing as a County function; acknowledging that recent years have witnessed increased development of residential apartments within the County and more so in informal areas; concerned that most residential buildings were built with inadequate parking spaces for the tenants; further concerned that most tenants have opted to parking their vehicles on the road reserves and pavements thus blocking other motorists, this has contributed to increased traffic snarl up in some residential areas in the County especially during rush hours, this Assembly urges the County Executive to develop regulations to provide for all building plans for residential buildings to have adequate parking spaces for tenants.
