**1. \*MOTION – HON. HELLEN AWUOR OKELLO, MCA**

**Subject: *Regulation of Borehole Water Vendors***

THAT, aware that Article 43 (1) of the Constitution of Kenya 2010 provides for the right of every person to access clean and safe water in adequate quantities; further aware that paragraph 11 (b) of Part Two of the Fourth Schedule to the Constitution provides for County public works and services including water and sanitation services as a function of the County Government; Cognizant that Nairobi City County Government regulates the operations of the Nairobi City Water & Sewerage Company Limited in provision of clean and accessible water to its residents; concerned that the water supplied by the Nairobi City Water and Sewerage Company Limited is not sufficient to serve the ever growing demand by the Nairobi residents; further concerned that there are private borehole water vendors that supply water to the City residents without any clear legal framework for their operations; disturbed that majority of borehole water vendors sell untreated water from illegal boreholes in some estates which is a health hazard thus

exposing residents to several diseases such as typhoid and cholera, this Assembly resolves  
THAT:-

1. The County Executive Committee Member in charge of Water & Sanitation through the relevant authority commence the process of registration of all borehole water vendors in Nairobi City County and forward a detailed database for each Ward to this Assembly within sixty (60) days from the date of adoption of this Motion; and
2. The County Executive Committee Member in charge of Water & Sanitation develops a policy to guide the operationalization of borehole water vendors within Nairobi City County.
