1. *MOTION – HON. JOHN REX OMOLLEH, MCA

Subject: Operationalization of the Nairobi City County Outdoor Advertising and Signage Control and Regulation Act of 2018 and Development of Regulations to ban adverts on electricity poles, public walls across the County

THAT, aware that Part Two of the Fourth Schedule of the Constitution of Kenya 2010 provides for the functions of the County Governments which include control of air pollution, noise pollution, other public nuisances and outdoor advertising; further aware that the County Assembly passed the Nairobi City County Outdoor Advertising and Signage Control and Regulation Act, 2018 which provides for the regulation of outdoor advertisement and signage within the County; **concerned that** there are several adverts and posters erected in various public places such as electricity poles, streetlight poles, public walls and buildings, which has not only affected the aesthetics of the City but have not complied with the Nairobi City County Outdoor Advertising and Signage Control and Regulation Act, 2018; **further concerned** that the County Assembly passed the Nairobi City County Outdoor Advertising and Signage Control and Regulation Act, 2018 which has not been published, publicized and operationalized to date; noting that Section 7 (I) of the Nairobi City County Office of the County Attorney Act, 2017 provides that the County Attorney shall publish all legislation passed by the County Assembly, this Assembly resolves that:-

1. The County Attorney to publish the Nairobi City County Outdoor Advertising and Signage Control and Regulation Act, 2018 within fourteen (14) days after the adoption of this Motion; and
2. 1. * MOTION – HON. MARK MUGAMBI, MCA – MINORITY WHIP

Subject: Support for football teams in the County

THAT, aware that paragraph 4 of part 2 of the Fourth Schedule of the Constitution of Kenya, 2010 provides for Cultural activities, public entertainment and public amenities, including sports and cultural activities and facilities as a county function; **FURTHER AWARE**, that section 10 & 11 of the Nairobi City County Sports Management Act, 2017 provides for guidelines on

financial support for sports initiatives and facilities in Nairobi County; **DISTURBED** that many grassroots football teams in Nairobi County struggle to meet the financial obligations required for registration in the Football Kenya Federation (FKF) league; **RECOGNIZING THAT** football plays an important role in society in promoting unity, health and talent development in our communities including creation of employment for the youth; **ACKNOWLEDGING** that the facilitation of annual registration fees by the Nairobi County Executive would significantly boost the development of local football, empower youth and promote sports as a tool for development; strengthen partnership between Nairobi County and sports organizations & enhance the reputation of Nairobi as a hub for sports excellence; **DEEPLY CONCERNED THAT** local teams face challenges in affording the annual registration fees required by the Football Kenya Federation (FKF) in order to effectively participate in tournaments. This Assembly therefore urges that the County Executive to; -

- i) Allocate funds in the County's sports budget to cover the annual FKF fees for registered football teams in Nairobi County;
- ii) Develop criteria for allocation of funds to the teams which shall be informed by parameters such as the team's active participation in local tournaments, adherence to FKF regulations and engagement in youth development; and
- iii) Form a committee that will administer and monitor the use of funds and ensure transparency and equity.

1. *MOTION – HON. WAITHERA CHEGE, MCA – DEPUTY MINORITY LEADER

Subject: *Development of Public/Street Light Management Policy*

THAT, aware that Article 29 of the Constitution of Kenya, 2010 grants every citizen a right to freedom and security; **further aware** that paragraph 5 of Part Two of the Fourth Schedule to the Constitution provides for street lighting as a function of the County Government; noting that in recent months we have witnessed a marked increase in incidences of insecurity across the Country and more so in Nairobi City County; concerned that most of the streets, public social areas, public parks, and markets in the County are in darkness due to lack of lighting, which has contributed to an increase in criminal activities within the County as evidenced by muggings and other violent crimes; further concerned that most of the installed high mast lights and public/street lights in most parts of the County have been stolen and/or vandalized, leaving the County in darkness for a long period of time due to poor and/or slow repair and maintenance of the public/street lights; noting that for the County to realize a 24 hour economy, security for business people and residents is indispensable; this Assembly urges the County Executive to formulate a policy to provide for a legal framework for management of public/street lights in the streets, public social areas, public parks, County public roads and markets in the County.
