Wednesday, 4th November, 2026

1. *MOTION – CHAIRPERSON, SECTORAL COMMITTEE ON LABOUR AND SOCIAL WELFARE

Subject: ***Adoption of Committee Report***

THAT, this Assembly adopts **THE REPORT OF THE SECTORAL COMMITTEE ON LABOUR AND SOCIAL WELFARE ON THE CONSIDERATION OF THE SESSIONAL PAPER NO.1 OF 2025 ON THE NAIROBI CITY COUNTY GENDER MAINSTREAMING POLICY,** laid on the Table of the Assembly on Tuesday, 9th June, 2026.

2. *MOTION – HON. WAITHERA CHEGE, MCA – DEPUTY MINORITY LEADER

Subject: ***Development of Public/Street Light Management Policy***

THAT, aware that Article 29 of the Constitution of Kenya, 2010 grants every citizen a right to freedom and security**; further aware** that paragraph 5 of Part Two of the Fourth Schedule to the Constitution provides for street lighting as a function of the County Government; noting that in recent months we have witnessed a marked increase in incidences of insecurity across the Country and more so in Nairobi City County; concerned that most of the streets, public social areas, public parks, and markets in the County are in darkness due to lack of lighting, which has contributed to an increase in criminal activities within the County as evidenced by muggings and other violent crimes; further concerned that most of the installed high mast lights and public/street lights in most parts of the County have been stolen and/or vandalized, leaving the County in darkness for a long period of time due to poor and/or slow repair and maintenance of the public/street lights; noting that for the County to realize a 24 hour economy, security for business people and residents is indispensable; this Assembly urges the County Executive to formulate a policy to provide for a legal framework for management of public/street lights in the streets, public social areas, public parks, County public roads and markets in the County.

Thursday, 5th November, 2026

1. *MOTION – CHAIRPERSON, SECTORAL COMMITTEE ON CULTURE & COMMUNITY SERVICES

Subject: ***Adoption of Committee Report***

THAT, this Assembly adopts **THE REPORT OF THE SECTORAL COMMITTEE ON CULTURE AND COMMUNITY SERVICES ON THE SITE INSPECTION VISITS TO VARIOUS STADIA, REHABILITATION CENTRES, PLAY GROUNDS AND FIRE STATIONS WITHIN THE COUNTY,** laid on the Table of the Assembly on Tuesday, 13th October, 2026.

2. *MOTION – HON. ANTONY MARAGU, MCA

Subject: ***Restoration of public infrastructure damaged by public and public construction works***

THAT, aware that paragraph 5 (a) of Part II of the Constitution of Kenya provides for County Roads as a function of County Governments and that Paragraph 18 of Part II provides for National roads as a function of National Government; **Further aware** that Section 50 of the Kenya Roads Act, 2007 provides that the owner of a vehicle is liable for damages on a road by reason of vehicle passing over it in contravention of rules made by the relevant authority under the Act; **Noting that** Section 41 (8) of the Nairobi City County Transport Act, 2020 requires that utility companies that have been granted permission to carry out works shall ensure that the road and its facilities are reinstated to appropriate standards; **cognizant that** construction companies carrying out projects on real estate, roads and other sites are bound to use heavy equipment and machinery that use public roads and other public facilities; further cognizant that in executive their works, the mobility of these heavy equipment and machinery cause damage to public roads near the sites since their tonnage may be higher than the roads may tolerate; **deeply concerned** that the resulting poor condition of the road riddled with deep potholes and stagnant water cause profound inconvenience to other road users and accelerated wear and tear to vehicles of reasonable sizes, further, the ambition to reduce time spent on the road during movement of goods and services becomes greatly hampered; further concerned that should this trend be left to persist and National and County regulations unenforced in light of many construction works that are ongoing in the County, many roads that the County and National Governments have spent resources to construct will be left impassible forcing the allocation of fresh resources for their repair and maintenance. Now therefore, in order to curb reckless damage to public infrastructure, especially roads, the Assembly urges the County Executive Committee Member to urgently formulate and submit Regulations to Nairobi City County Transport Act, 2020 to provide for procedures, rules, offenses and sanctions on damage to public infrastructure in the course of any public or private construction works.
